PRODUCT DATA SHEET

Açaí Action

Energy. Performance. Naturally.

DESCRIPTION

When you are looking for a little more energy and vitality, you need something that is as nutritious as it is effective. You need more than just a simple pick-me-up. You need an effective and sustainable energy boost.

You need to take action – Açaí Action. Smooth energy delivery, a delicious taste and a proprietary blend of the best natural ingredients, Açaí Action is a new liquid food supplement designed to offer a superior solution to your energy needs.

BENEFITS

- ▶ A Natural Energy Boost – Using the finest natural ingredients to provide smooth and sustainable energy when you need it most.
- ▶ Supports a healthy metabolism – The metabolism is a key governor of the body's energy expenditure and is one of the most important elements of continued well-being.
- ▶ Supports the body's thermogenic processes – Thermogenic defines the body's ability to burn fat. Increasing thermogenic efficiency of your body may aid weight loss (in association with a diet and exercise programme).
- ▶ Supports energy production from carbohydrates – Perfect for sporting types or simply those with very active lifestyles or occupations. A great way to get the most from the diet.

KEY INGREDIENTS – FURTHER INFORMATION

- ▶ **Acai Fruit Puree** — The fruit of Euterpe oleraceae, commonly known as acai, this Brazilian fruit has been demonstrated to exhibit significantly high oxygen radical absorbance capacity (ORAC).
- ▶ **Apple Juice** — In the laboratory, apples have been found to have strong antioxidant activity.
- ▶ **Apricot Juice** — Apricot contains fruit acids, a variety of sugars to support your health.
- ▶ **Blueberry Juice** — Blueberry fruit also has antioxidant activity.
- ▶ **Green Tea Extract** — Supports the body's natural thermogenic process. Anti-oxidant rich and an ideal caffeine source, Green Tea extract provides the key energy component.
- ▶ **Green Kiwi Juice** — Kiwi fruit is a rich source of vitamin C and carbohydrates.
- ▶ **Pear Juice** — Fruits are a natural source of dietary fibre and antioxidant compounds.
- ▶ **Plum Concentrate Juice** — The plum supports your health and naturally contains vitamin A in addition to other phytonutrients.
- ▶ **Pomegranate Juice** — Pomegranate was held sacred by many of the world's major religions. In the Greek myth of Persephone, the pomegranate represented life, regeneration, and marriage. The nutritional profile of pomegranate may help uncover why the ancients valued this amazing fruit.
- ▶ **Yerba Mate Extract** — Yerba Mate tea, an infusion made from the leaves of the tree Ilex paraguariensis, is a widely consumed non-alcoholic beverage in South America which is gaining rapid introduction into the world market, either as tea itself or as ingredient in formulated foods or dietary supplements. The indigenous people have used it for centuries as a social and health beverage. Supports nervous and cardiovascular system providing anti-oxidants and thermogenic properties.
- ▶ **Purple/Red and White Grape Juice** — Grape products offer tremendous benefit, in addition to a variety of antioxidants especially vitamin C, grapes provide natural sweetness and flavour.
- ▶ **Thiamine Mononitrate (Vitamin B1)** — An important vitamin and a key component to help support production of energy from carbohydrates and to generate effective cellular energy.
- ▶ **Gaurana Extract** — supports physical energy and mental energy with added phynutrient support.
