

Anatomix®

Support your joint health

DESCRIPTION

Your body does miraculous things. It nourishes and regenerates cells. It heals wounds. It eliminates toxins. It renews energy. But all of this depends on proper nutrition and good health habits. Without the right nutrients, these processes can be compromised.

That's where Anatomix® tablets come in. Anatomix® is a great source of MSM (methylsulphonylmethane), a nutritional form of sulphur. Many people don't realize that sulphur is one of the most important required elements in human nutrition. About half of the body's total sulphur is concentrated in the muscles, while the other half is found in the brain, hair, skin, and bones.

The body uses sulphur to assist in supporting the effects of minor inflammation. Odourless and essentially tasteless, the MSM contained in Anatomix® is of superior quality and efficacy. In addition, Anatomix® gives you vitamin C, a key antioxidant, as well as the herb cat's claw. Anatomix® bolsters the body's reservoir of nutrients. It's the perfect addition to your daily diet.

BENEFITS

- Supports joint health

DIRECTIONS

Take three tablets daily one before each meal.

ALLERGY ADVICE

Contains soy

PRODUCT FORMAT

45 tablets

ITEM CODE

1001GB

FULL INGREDIENT LIST
