

Neways Authentic NewVera

A Power Plant for Digestive Health

DESCRIPTION

To experience the full power of aloe vera, a desert plant rich with health-supporting nutrients, you need Neways Authentic New Vera, the aloe that you drink. For balancing, and energising support for the healthy function of your digestive system, there is no parallel to Neways Authentic New Vera.

Aloe vera, known as the miracle plant, is a nutritional heavyweight, loaded with 20 amino acids, 9 enzymes, polysaccharides (glucomannans), vitamins, minerals, trace elements, and electrolytes. All of these nutrients go to work for you in Neways Authentic New Vera, supporting the healthy function of your digestive system and helping maintain already-healthy digestive balance, regularity, acid levels, and nutrient assimilation.

Neways Authentic New Vera combines 100 percent organic aloe vera with the benefits of natural fruit juices and infusions of herbal tea that provide added support for your immune and digestive health. These 11 natural ingredients enhance the taste and goodness of NewVera for 11-in-1 strength in a synergistic formula that puts nature's healthy bounty to work for you.

The Neways Authentic New Vera formula features MicroTech™ Technology, a superior micronising technology that ensures more consistent polysaccharide intake. We also process Neways Authentic New Vera with Max Flash™ Technology—a superior way to bottle liquid nutritionals. Max Flash provides four key benefits to you: maximum freshness, richer flavour, higher nutrient integrity, and the highest level of safety and sterilization.

Once you've tried Neways Authentic NewVera, you'll wonder how you managed to live without it. Don't wait to try the aloe you can drink. Order your Neways Authentic New Vera today.

KEY INGREDIENTS – FURTHER INFORMATION

- **Aloe vera blend** - Aloe vera contains unique polysaccharides known for their immune-supporting effects. It also contains protein, calcium, magnesium, zinc, vitamins A, B12, C, and E, essential fatty acids, amino acids, and enzymes.
- **Tea blend** - This blend of herbal teas supports your health with a natural bounty of phytonutrients. The blend includes the following teas:
 - Maté tea
 - Fennel seed tea
 - Bilberry fruit tea
 - Orange peel tea

- Lemon peel tea
- Grape skin extract tea
- Grape seed extract tea

- **Natural pear juice** - This fruit is packed with the B-complex vitamins, which are essential in today's world. B-complex vitamins help us ward off stress and support the nervous system. Pears also have a very high potassium and calcium content. Potassium supports the circulatory system, and calcium strengthens bones, teeth, and your body.
- **Natural blueberry juice** - Blueberries provide many health benefits, including the highest antioxidant ability of all fresh fruit. They are rich sources of fibre and contain multiple B vitamins and vitamin C.
- **Natural honey** - Delicious and sweet, honey is primarily composed of fructose, glucose, and water. It also contains other sugars as well as trace enzymes, minerals, vitamins and amino acids. This diverse mixture of sugars is highly compatible with the body's need for energy.
