

REVENOL

A powerful Antioxidant Formula

DESCRIPTION

Inside of you, the cells of your body work hard to keep you healthy, day in and day out. Sometimes, though, your cells come under attack.

Free radicals damage your healthy cells. Free radicals are atoms or molecules with unpaired electrons. These unstable molecules collide with other molecules inside the body, trying to steal an electron. Free radicals are particularly harmful when they interact with important cellular components. Increasing research has suggested that free radical activity in the body, if uncontrolled, can cause a number of health problems and play a key role in the ageing process.

Our bodies are exposed to free radicals through the environment and other chemical sources. In addition, the body itself creates free radicals during normal body processes. A great defense against these harmful molecules comes in the form of antioxidants, which have the ability to neutralise free radicals.

Revenol® helps you feel healthier with an antioxidant-rich formula, providing both fat-soluble and water-soluble antioxidants for optimal nutritional variety. Revenol® has recently been reformulated to contain a more diverse blend of antioxidants for superior protection against free radicals. Revenol® now includes standardized cocoa bean extract to provide additional antioxidant diversity and radical scavenging properties.

BENEFITS

A powerful broad spectrum antioxidant containing a wide variety of antioxidant sources

Recently reformulated and updated using new and exciting research and ingredients

Supports your natural antioxidant capacity

DIRECTIONS

Take one tablet twice daily with meals

Always read the product label before use.

Suitable for Vegans and Vegetarians

ALLERGY ADVICE

Contains soy

PRODUCT FORMAT

60 tablets

ITEM CODE

1700GB

FULL INGREDIENT LIST

Calcium carbonate, calcium ascorbate, cocoa bean extract, anti-caking agent: stearic acid, DL-alpha tocopheryl acetate, turmeric root extract, bulking agent: croscarmellose sodium, beta carotene, emulsifier: methylcellulose, ginkgo biloba leaf extract, anti-caking agent: silicon dioxide, emulsifier: glycerin, maritime pine bark extract.

KEY INGREDIENTS – FURTHER INFORMATION

Key Ingredients

- **Vitamin E** - An integral component of cell membranes, Vitamin E helps promote cellular health. Vitamin E is particularly beneficial in supporting cellular components from a particular type of fat soluble free radical.
- **Vitamin C** - Vitamin C helps support the immune system and cellular health. Humans do not have the ability to make their own vitamin C; therefore, it must be obtained through the diet.
- **Vitamin A (beta carotene)** - Vitamin A supports cellular health by providing protection against a variety of free radicals.
- **Curcumin (Turmeric)** - has a rich history in both European and Indian traditions, a commonly used spice for cooking and supplementation.
- **Maritime Pine Bark Extract** - Maritime Pine Bark includes chemicals called oligomeric proanthocyanidin complexes (OPCs) which have antioxidant-like characteristics and support the circulatory system.

- **Grape Seed Extract** - This powerful antioxidant protects against multiple types of free radicals.
- **Cocoa Bean Extract** - Research suggests that polyphenols from cocoa bean extract may help to protect against free radical damage. Cocoa has one of the highest ORAC values of any food, greater than both tea and wine.

PRODUCT LABEL

Supplement/Nährwertangaben

Serving Size 2 Tablets/Portion: 2 Tabletten
Servings Per Container 30/Portionen pro Packung: 30

	per recommended daily amount pro Tagesverzehrsmenge	% Daily Value/ %RDA
Vitamin A	760 µg	95%
Vitamin C	86 mg	108%
Vitamin E	14 mg	117%
Calcium	792 mg	99%
Turmeric extract/Kurkuma-Extrakt	31 mg	
Pine bark extract/Pinienrinden-extrakt	0.2 mg	
Grape seed extract/Traubenkern-Extrakt	41 mg	
Ginkgo biloba extract/Ginkgo-Extrakt	21 mg	

INGREDIENTS: Calcium carbonate, calcium ascorbate, cocoa bean extract, grape seed extract, anti-caking agent: stearic acid, DL-alpha tocopheryl acetate, turmeric root extract, bulking agent: croscarmellose sodium, beta carotene, emulsifier: methylcellulose, ginkgo biloba leaf extract, anti-caking agent: silicon dioxide, emulsifier: glycerin, maritime pine bark extract.

ZUTATEN: Calciumcarbonat, Calciumascorbat, Kakaobohnen-Extrakt, Traubenkern-Extrakt, Trennmittel: Stearinsäure, DL-alpha-Tocopherylacetat, Kurkuma-Extrakt, Füllstoff: E468, Beta-Carotin, Emulgator: Methylcellulose, Ginkgo-Extrakt, Trennmittel: Siliciumdioxid, Emulgator: Glycerine, Pinienrinden-extrakt.

DIRECTIONS: Take 1 tablet twice daily with meals.

VERZEHRSEMPFEHLUNG: Zweimal täglich 1 Tablette zu den Mahlzeiten.

CAUTION: Consult your health care provider prior to use if you have a medical condition or when taking any medication. Not a substitute for a varied diet. Do not exceed daily dose.

STORE TIGHTLY CLOSED IN A COOL, DRY PLACE OUT OF REACH OF YOUNG CHILDREN.

HINWEIS: Die angegebene empfohlene tägliche Verzehrsmenge darf nicht überschritten werden. Nahrungsergänzungsmittel sind kein Ersatz für eine ausgewogene und abwechslungsreiche Ernährung und eine gesunde Lebensweise. Bei gesundheitlicher Beeinträchtigung oder wenn Sie Medikamente einnehmen, sollten Sie den Verzehr dieses Produkts zuvor mit Ihrem Arzt besprechen.

GUT VERSCHLOSSEN AN EINEM KÜHLEN, TROCKENEN ORT UND AUSSERHALB DER REICHWEITE VON KLEINEN KINDERN AUFBEWAHREN.
